

Philly Cure HD Annual Report

April 01, 2021 to March 31, 2022

Dear Friends,

Attached is our 2021 Philly Cure - HD (PC-HD) Annual Report and recognition of our donors. As you look through the report you will see the names of others, like you who understand how important charitable giving is to Huntington's Disease. We are gratefully humbled by your generosity and thank you for your unwavering support to Philly Cure – HD.

Over 11 years ago, a small and very enthusiastic group of individuals came together to found Philly Cure – HD. Through the years, their dedication to the mission of PC-HD has always been supporting HD research and serving families and individuals with HD. I hope after reading our Annual Report you will understand why supporting Philly Cure – HD is so vitally important.

I am appreciative of the outstanding work that Philly Cure – HD is doing and look forward to our continued partnership so that together we can work to support the HD families in the Delaware Valley.

From all of us connected with PC-HD, and the clients and their families who benefit from your kindness Thank you!

Best Wishes,

Susan W. Arnold, Board Chair

Mission Statement

PC-HD offers support to the local Huntington's Disease community, educates the greater community about HD and the impact this neuro degenerative genetic disorder has on individuals and families, and supports HD research.

Welcome Note

We have had another great year here at PC-HD all thanks to your continued support of our small but mighty non profit. PC-HD is proud to continue to fulfill our mission to support the local Huntington's Disease community, educate the greater community about HD and the impact HD has on individuals and families, and support research at a local level. Here is to another great year!

Best,

Sherri McElfratrick, LSW Executive Director/ Care Consultant

Accomplishments

PC-HD continued to provide support to individuals and their families through phone support, email and support groups. Our support groups remain to be our foundation for client support. The caregiver meeting meets the 2nd Monday of the month at 7pm, the HD group meets at 10 am the 4th Monday of the month. The virtual platform has allowed more individuals to join without the stress of traveling or finding care for their loved one.

In January Sherri was able to resume providing support to Penn HDSA Center for Excellence. Each Tuesday PC-HD is able to provide support to the staff and patient's at Penn as well as educate the greater community about PC-HD and our mission. PC-HD was able to donate \$10,000 to Penn to continue funding local research.

PC-HD welcomed two new board members this year; John Brennan and Nancy Hess. Both active in our support groups and advocating for those with HD. In addition we also welcomed Charley Resktsis have new volunteer managing our social media accounts, giving us a larger presence

Currently we are raising funds for HD Awareness Month: "Your Turf, Your Time, Your Team" To date we have raised over \$36,000 and counting! Our supporters have done a great job creating teams and getting out HD Awareness. It is still not too late to donate or start a team! Last year this event raised \$33,000! Sherri took part in a virtual zoom professional caregiver meeting, bringing awareness and education about HD.

For the second year in a row we were able to continue the gift of giving through the Madden/Cancelmo Families Christmas fund. This fund was able to bring cheer to three deserving families we work with. I will let these quotes speak for themselves.

“To Sherri, the Madden Family and Cancelmo Family,
Thank you isn’t enough. Evan has his own to wear to school today.. Ava loves her bath bombs and Roblox cards and Mike was so excited to tell his brothers about his shirt!
Everything and I mean everything was absolutely perfect. I can’t wait to use my massage gift card. Thank you for ALL that you do to support the families living with Huntington’s disease. Life certainly can be hard at times but there still remains so much to be thankful for. We continue to find

joy in spite of HD. We have benefitted from the Cancelmo Cousins Fund to help pay my husband’s medical bill. These programs have helped us so much and to know that others understand and to help lighten the load of HD just is incredible to me. Our Christmas has been truly enriched by your outreach. Warmly, Melissa, Michael, Evan and Ava Walschburger

“Thank you and thank you again for being such a blessing to my son and for blessing me. I thank the donors for their contributions. And thank you for listening to me. I appreciate you and Philly Cure HD. Anything that I can do to assist your organization please let me know. Mrs Lattimore.”

“Good Afternoon. Me and my kids received the most thoughtful gifts and I’m so grateful and happy. Thanks so much. I really appreciate you guys help with everything you do.”

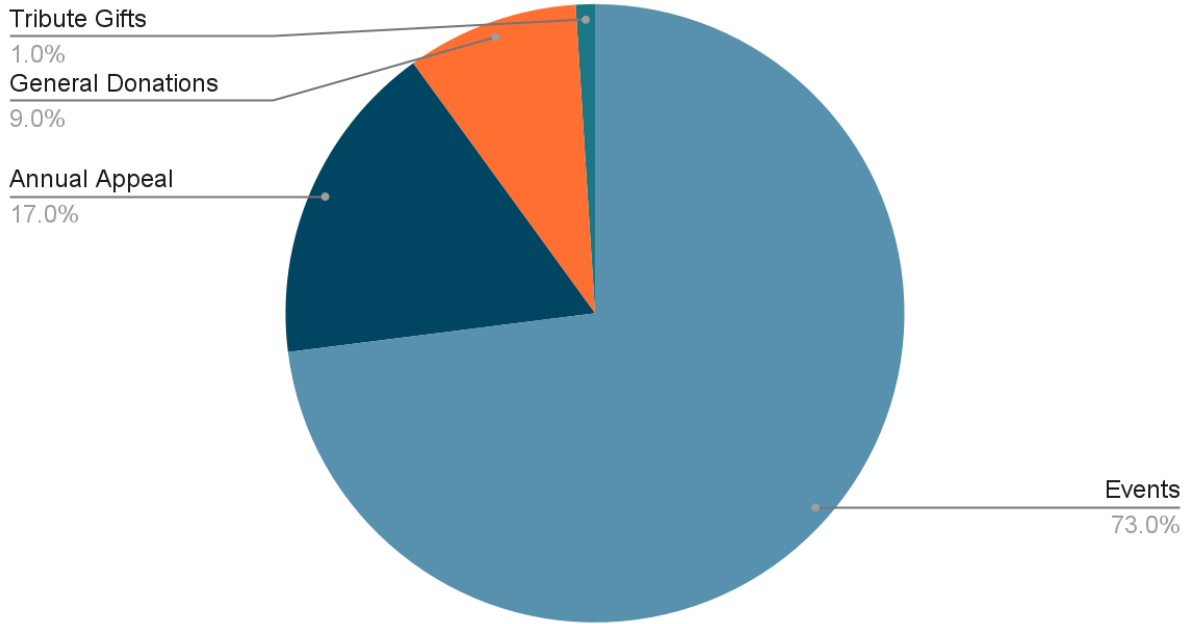

Tom Cancelmo and Family are busy prepping and planning for the PC-HD Annual Luau. This year the Luau will take place Friday June 24, 2022 at the Devon Horseshow, we hope you will join us. Last year we were able to gather in person for the first time in over a year! The night was a great success and so much fun. Donors, Clients, Professionals and Families were able to gather and find a sense of community and hope. Check out the link below to learn more. The Luau continues to be our largest fundraiser of the year! The Luau raised over \$47,000 from which we were able to give \$2,075.00 to the Cancelmo Cousin Fund. The Cancelmo Cousin Fund provides grants to those with HD for items and services not covered by insurance.

Afterglow

(Unknown)

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun:

Of happy memories that I leave when life is done.

We look forward to continuing to serve the HD community for years to come with many thanks to our generous donors.
